**INFORMATION:** The court uses this form to determine whether and when to schedule cases for oral argument. Cir. R. 34(e).

**Argument Waiver**     ☐ My party intends to waive oral argument.

NOTE: Filers checking this box must still complete the below sections. **The court may still schedule this case for oral argument even if any party intends to waive argument.** If scheduled, parties may still elect to waive argument using the response to notice of oral argument form.

### **Other Parties Representing Interests**

☐ Counsel for another party will represent my party's interests at oral argument

NOTE: If this box is checked, skip the remaining sections. Any argument date will be selected based on conflict dates for counsel arguing on behalf of your party.

### **Dates Unavailable**

Do you have dates of unavailability within the specific sessions identified by the court's Notice to Advise of Scheduling Conflicts in your case?

☒ Yes     ☐ No

If yes, attach a separate sheet listing **up to ten dates** of unavailability and **include a statement showing good cause for each date.** Dates without good cause or that do not pertain to arguing counsel (e.g., client conflicts) will not be accepted. The court will only accept dates for one counsel and only if that counsel has filed an entry of appearance. The Clerk's Office will evaluate and note accepted or rejected conflict dates; counsel may contact the Clerk's Office about re-filing if dates are rejected. *See* Fed. Cir.
